

USB A + USB C Car Charger Kit CarPower Pro 100W + Reinforced Built-in USB C 20W Cable 1.2m Black + Lifetime Warranty Force Power Lite

Descriptif produit

The perfect combination of a reinforced cable and a high-performance charger for fast everyday charging - Guaranteed for life. Made from 100% recycled plastic.

100W Power Delivery 5A Ultra-Fast Car Charging
Delivering exceptional combined power of up to 100W with 5A current support, this car charger offers maximum charging speed on the go. It ensures a stable and safe power supply for your most power-hungry devices.

Versatility with USB-A/USB-C and Integrated 1.2m 20W USB-C Cable
Equipped with USB-A and USB-C ports, as well as an integrated 1.2m 20W USB-C cable, this 12V/24V car charger kit allows you to simultaneously charge multiple devices: laptops, tablets, smartphones (iOS and Android), GPS devices, and power banks.

GaN Technology for an Ultra-Compact Design
Thanks to GaN (gallium nitride) technology, the components are optimized to offer a significantly smaller form factor without compromising charging speed. Much less bulky than a traditional charger, its compact size optimizes space on your busy outlets and easily slips into a bag or pocket for everyday carry.

Smart and Eco-Friendly Charging
Smart charging technology automatically detects and adjusts the power needed based on your device's requirements. Once the battery reaches 100% charge, the power supply automatically stops to protect your battery, prevent unnecessary overheating, and extend the lifespan of your devices.

Power Delivery Compatibility for Fast Charging
Enjoy optimal charging speeds every day for all your compatible devices. Simply pair this charger with a suitable cable (USB-C to USB-C or Lightning to USB-C) to save valuable time with every charge.

Sturdy, Secure, and Reliable Every Day
Designed for worry-free daily use, it guarantees safe and durable operation. It effectively protects your devices against power surges, voltage fluctuations, and everyday bumps and knocks, whether at home, in the office, or on the go.

Lifetime Guarantee
Force Power will replace your charging accessory with a brand new one if it is damaged!

Eco-designed with 100% recycled plastic
This product is made from recycled plastic to reduce the use of single-use plastics and promote the circular economy.

Product Recycling
Prepaid return of old products for recycling to support the circular economy.

Pack contents : USB A + USB C Car Charger Kit CarPower Pro 100W + Reinforced Built-in USB C 20W Cable + Lifetime Warranty + User Guide/Security/Warranty

Technical characteristics

100W Power Delivery 5A Charging Power: Maximum charging speed and stable power for power-hungry devices.
USB-A/USB-C Versatility & Integrated Cable: Multiple ports and an integrated 20W USB-C cable for charging several devices simultaneously.
Ultra-Compact GaN Technology: Optimized components for a small form factor, making it easy to carry every day.
Smart Charging & Battery Protection: Automatic power adjustment and 100% cutoff to protect your devices.
Power Delivery Compatibility & Safety: Safe and durable operation with effective protection against power surges and shocks.

Informations complémentaires

How the lifetime warranty works
Thanks to the lifetime warranty, FORCE will replace your product with a simple exchange for a new one if it is defective or damaged.
To benefit from the lifetime warranty, simply create an account in a few clicks and register your product on the website https://force-mobility.fr/fr/utiliser-garantie, within 30 days of your purchase, with your proof.
The FORCE service will send you a new product in exchange for your old defective product. Once a year and without time limit so that your mobile always remains perfectly equipped!

If you have purchased FORCE PLAY wireless headphones:
Thanks to the lifetime warranty, FORCE will replace your right or left earphone with a new earphone in the event of loss.
To benefit from the lifetime warranty, simply create an account and register your product on the website https://force-mobility.fr/fr/utiliser-garantie, within 30 days of your purchase, with your proof.
The FORCE service will send you a new replacement earphone for the lost earphone. Once a year and without time limit so that you can always enjoy your music!

FORCE: The smartphone accessories brand Lifetime warranty
• Sustainable accessories designed to last a long time
• Technological innovation at the service of performance and use
• A lifetime warranty to satisfy the most demanding customers
• A responsible commitment from the design of the product to its packaging: Recycled plastic, certified cardboard from responsible forest management, vegetable glue) and soy ink.
• A recycling center with pre-paid return of old products to be recycled to promote the circular economy

FORCE is a French brand whose products are designed and developed in Paris. French specialist in smartphone solutions for 25 years, our products are tested and certified according to the CE standards and directives in force on the market.
From its delivery, this product benefits from the 2-year legal guarantee of conformity.

How does the Recyclerie work?
You have just purchased one of our products and you wish to return your old product to us for recycling. We ensure the collection of all old products, which are then dismantled and recycled in the appropriate sector by our partner Véolia.

How do I return my product?
Using the QR code or link provided in the pack of the purchased product www.force-mobility.fr/recyclerie, download a free return voucher from our site to return your product to us for recycling.

What happens to my old product?
Once recycled, your product is reintegrated into the production of everyday objects such as: bicycle, radiator, public bench, etc., this is what we call the circular economy!

A reduced carbon footprint for a more responsible purchase!
The carbon footprint is an environmental indicator that designates the total quantity of greenhouse gases generated throughout the product life cycle, from production to use and recycling. This indicator was calculated using the LCA method (life cycle analysis standardized ISO 14040-44) which is the most advanced and scientifically robust method, in terms of eco-design and environmental performance.
