Descriptif produit

The printer and frame for amazing square photos

Premium pocket photo printer

Transform your favorite memories into high-quality 3x3 square prints, perfect for journaling or decoration. This compact printer allows you to bring your favorite photos to life in an instant, wherever you are.

Creative customization via app

Create fully personalized prints using the Polaroid Hi-Print mobile app, compatible with iOS and Android. Add templates, stickers, or memes to make every print unique before printing wirelessly.

Square format with integrated frame

Enjoy an authentic look thanks to the integrated photo frame added during the 76 x 76 mm printing process. Your shots are ready to be displayed or shared with loved ones as soon as they leave the printer.

Bluetooth connection and rechargeable battery

The device easily connects to your smartphone via Bluetooth for a smooth experience without messy cables. Its built-in battery is rechargeable via USB-C, ensuring perfect battery life for all your outings.

Ready to use with included cartridge

Start printing immediately with the Polaroid Hi-Print 3x3 paper cartridge included in the box. It contains 10 sheets of high-quality photo paper ready to capture your most precious moments.
