

USB C + USB C Charger Kit 100W + USB C / USB C Cable 2m Black Bigben

Descriptif produit

A charging pack featuring Power Delivery, the fastest charging protocol on the market for mobile devices and laptops. The fast and efficient charging solution for the office, home, or on the go. Made from 100% recycled plastic.

Perfect for your everyday use
Practical and essential for charging all your mobile devices and PCs at home, at the office, or on the go.

100W Power Delivery: Ultra-high performance
Thanks to its 100W power output, this charger offers ultra-fast charging for compatible smartphones, tablets, and even laptops.
Its Power Delivery charging protocol is far more efficient than conventional technologies. Compatible with iOS and Android devices (Apple, Google, Samsung, Xiaomi, Oppo, etc.), it provides fast, safe, and optimized charging, ideal for all your everyday devices.

Dual USB-C Ports + USB-C Power Delivery
Equipped with two USB-C ports, this charger allows you to simultaneously power multiple devices while ensuring the appropriate power output for each, thanks to intelligent power management.

Smart and Eco-Friendly Charging
Dynamic charging adjustment preserves battery life and reduces energy consumption.
Prevents overheating and extends the lifespan of your devices.
When you're in a hurry, enjoy a powerful and efficient charge in minimal time.

Safe Charging
Designed for intensive daily use, it resists high temperatures, power surges, and short circuits for reliable and long-lasting performance.

Power Delivery Compatibility
To benefit from the optimal charging speed of a 100W Power Delivery charger, you need a compatible device (smartphone, tablet, or PC), a USB Type-C to USB Type-C cable, and a USB Power Delivery compatible charger.

2m braided USB-C to USB-C cable included
At 2 meters long, this sturdy cable offers increased freedom of movement and optimal user comfort, whether you're at the office, on the sofa, or on the go.

Durable Cable Coating
Completely covered in braided nylon, it withstands everyday use and ensures excellent durability.

Reversible Cable Design
The USB-C connector is reversible for quick and easy connections, regardless of orientation.

One Charger for All Your Devices
Compatible with all Android & iOS smartphones and tablets, as well as many other devices: speakers, wireless headphones, smartwatches, and 100W USB-C compatible laptops.

Eco-Designed with 100% Recycled Plastic
This product is made from recycled plastic to reduce the use of single-use plastics and promote a circular economy.

Eco-Designed, Fully Recyclable Packaging
Certified cardboard from responsibly managed forests, vegetable-based glue, and soy-based ink.

Product Recycling
Prepaid return of old products for recycling to promote the circular economy.

Works with the following protocols:
AFC (Samsung), FCP (Huawei), PPS (Samsung), PD 3.0 (Apple, Samsung, Fairphone, OnePlus), 2.4A (Apple).

Port(s) : USB C + USB C - Connector type

Bigben Connected is a French brand whose products are designed and developed in Paris.
French specialist in smartphone accessories for 25 years, our products are tested and certified according to the standards and directives in force on the market.

How does the Recyclerie work?
You have just purchased one of our products and you wish to return your old product to us for recycling. We ensure the collection of all old products, which are then dismantled and recycled in the appropriate sector by our partner Véolia.

How do I return my product?
Thanks to the QR code or link provided in the pack of the purchased product www.bigbenconnected.fr/recyclerie/, download a prepaid return on our website to send us your product to be recycled.

What happens to my old product?
Once recycled, your product is reintegrated into the production of everyday objects such as: bicycles, radiators, public benches, etc., this is called the circular economy!

What is my product's Green Act rating?
Green Act has been designed to help you make a more responsible choice in favor of the environment when buying an accessory for your mobile. Each product is rated on more than 70 criteria evaluating its environmental, social and ethical impact as well as its performance in use. Find out how the environmental impact of our products is calculated at www.thegreenact.org.
