

4-Pack USB C Rechargeable batteries LR03/AAA 600mAh + Lifetime Warranty Force Power

Descriptif produit

Upgrade to the energy of the future with these USB-C rechargeable AAA batteries, offering ultra-fast charging in just 1 hour and a constant 1.5V voltage for maximum performance.

New Semi-Solid Battery Technology
This innovation guarantees unparalleled thermal safety and optimal energy stability. It actively protects your devices against short circuits and overheating, while maximizing the lifespan of each charge cycle for safe, everyday use.

Eco-friendly Equivalent and Exceptional Cost-Effectiveness
Just one of these batteries replaces 1,500 disposable batteries. This pack represents a major economic solution that drastically reduces the accumulation of toxic waste, while maintaining consistent energy capacity over the years.

1-Hour Fast Charging via Integrated USB-C
Free yourself from slow and bulky wall chargers. Thanks to the USB-C port integrated directly into each battery and the included 4-in-1 cable, you can charge the entire pack simultaneously from any USB port in a record time of 60 minutes.

High-performance constant voltage of 1.5V
Unlike conventional NiMH rechargeable batteries limited to 1.2V, these cells deliver a stable 1.5V voltage. This guarantees perfect compatibility and maximum power for your game controllers, toys, and power-hungry electronic devices.

Compact AAA format with intelligent management
With a 600mAh capacity optimized for the LR03 format, these batteries provide precise and reliable power. They are ideal for compact devices requiring a constant power source and immediate availability.

Lifetime guarantee
Force Power will replace your charging accessory with a brand new one should it become damaged!

Product recycling
Prepaid return of old products for recycling to promote the circular economy.
