

Samsung Galaxy Z Flip 8 Magnet Reinforced Case Duo 2m Transparent + Lifetime Warranty Force Case

Descriptif produit

High-resistance 360° protection, compatible with magnets, that enhances your phone while ensuring its safety - Lifetime warranty

Front and back covers for 360° protection
The reinforced Duo double case resists shocks and drops from up to 2 meters.

The perfect blend of slimness and robustness
These ultra-resistant cases are made from premium materials. The combination of two exclusive technologies gives them their extreme resistance to everyday wear and tear.

X Cross Impact Technology
Reinforced corners thanks to uniform diffusion of the shock wave along 4 axes.

Protective raised edges
The edges and camera surround are reinforced for complete protection. You can therefore place your smartphone face down or back up without risk.

Reinforced Magnetic System Compatible with Magnet
Thanks to the power of its reinforced magnetic system, you can attach your case to all magnetic accessories within the Magnet ecosystem: wireless charger, car mount, video stand, etc.

Improved Charging Efficiency
The optimal magnetic alignment of its reinforced magnets also ensures that your phone charges more efficiently and therefore faster.

Elegant Finish and Design
Aesthetically pleasing and durable, its design allows you to appreciate the original beauty of your smartphone while offering the best grip.

Custom Design
Perfectly adapts to the phone's design, highlighting the control buttons. The screen and camera are protected by raised edges to reduce the risk of scratches. You can therefore place your smartphone face down or face up without worry.

Special Anti-Yellowing Treatment
Made from a polymer alloy treated against yellowing, your case will retain its transparency for much longer.

Force Glass compatible

Lifetime warranty
Receive a new case if it's damaged

Eco-designed, fully recyclable packaging
Cardboard (certified from responsibly managed forests), glue (vegetable-based), and ink (soy-based)

Product recycling
Prepaid return of old products for recycling to promote the circular economy

Thanks to the lifetime warranty, FORCE will replace your right or left earphone with a new earphone in the event of loss.
To benefit from the lifetime warranty, simply create an account and register your product on the website https://force-mobility.fr/fr/utiliser-garantie, within 30 days of your purchase, with your proof.
The FORCE service will send you a new replacement earphone for the lost earphone. Once a year and without time limit so that you can always enjoy your music!

FORCE: The smartphone accessories brand Lifetime warranty
• Sustainable accessories designed to last a long time
• Technological innovation at the service of performance and use

• A lifetime warranty to satisfy the most demanding customers
• A responsible commitment from the design of the product to its packaging: Recycled plastic, certified cardboard from responsible forest management, vegetable glue) and soy ink.
• A recycling center with pre-paid return of old products to be recycled to promote the circular economy

FORCE is a French brand whose products are designed and developed in Paris. French specialist in smartphone solutions for 25 years, our products are tested and certified according to the CE standards and directives in force on the market.
From its delivery, this product benefits from the 2-year legal guarantee of conformity.

How does the Recyclerie work?
You have just purchased one of our products and you wish to return your old product to us for recycling. We ensure the collection of all old products, which are then dismantled and recycled in the appropriate sector by our partner Véolia.

How do I return my product?
Using the QR code or link provided in the pack of the purchased product www.force-mobility.fr/recyclerie, download a free return voucher from our site to return your product to us for recycling.

What happens to my old product?
Once recycled, your product is reintegrated into the production of everyday objects such as: bicycle, radiator, public bench, etc., this is what we call the circular economy!

A reduced carbon footprint for a more responsible purchase!
The carbon footprint is an environmental indicator that designates the total quantity of greenhouse gases generated throughout the product life cycle, from production to use and recycling. This indicator was calculated using the LCA method (life cycle analysis standardized ISO 14040-44) which is the most advanced and scientifically robust method, in terms of eco-design and environmental performance.
