

Smart Watch ICE fit RT 3.0 Silicone Strap Pink gold / Nude Ice Watch

Descriptif produit

Track your sports performance with elegance thanks to cutting-edge connected technology.

Modern and Minimalist Design

This smartwatch features a compact 36mm rectangular case and a soft black silicone strap, offering a sporty and timeless look. Its high-definition AMOLED screen guarantees perfect readability of your notifications and widgets in all lighting conditions.

Sports Tracking with GPS and Strava

Ideal for ambitious athletes, it features a built-in standalone GPS to accurately map your routes without needing your smartphone. Direct compatibility with the Strava app allows you to share your sessions and analyze your running, walking, or cycling data in real time.

Connected Health and Advanced Monitoring

Take care of your well-being with advanced sensors measuring your heart rate and blood oxygen levels (SpO2). In-depth sleep analysis and body energy expenditure tracking help you optimize your recovery phases.

Multimedia and Music Storage

Free your movements during your workouts with 4GB of internal storage dedicated to your favorite music tracks. Connect your wireless headphones directly via Bluetooth and make calls or manage your notifications seamlessly from your wrist.
