Wireless Charging Station 15W Qi + 3-mode lamp + USB C/C Charging Cable White Bigben

Descriptif produit

Elevate your space and simplify your daily routine with this high-performance wireless pad and tactile mood lamp

High-speed 15W Qi wireless charging
This station incorporates a cutting-edge wireless charging module delivering up to 15W of power to quickly juice up your compatible devices. Simply place your smartphone on the base to initiate fluid and secure charging without cable clutter.

Multifunctional 3-mode LED lamp
This model features an elegant built-in lamp offering three distinct lighting modes to suit all your activities. Whether you need optimal clarity for working, comfortable lighting for reading, or a cozy ambiance, it fulfills all your needs.

Intuitive responsive touch control
Modern and sleek, selecting the different brightness modes is done with a simple tap thanks to its highly responsive touch sensor. This seamless interface eliminates unsightly mechanical buttons to preserve a minimalist, sophisticated design on your desk or nightstand.

Universal connectivity with USB-C cable included
The station comes complete with a high-quality USB-C to USB-C charging cable to guarantee stable and efficient power delivery to the pad. This latest-generation connectivity ensures maximum software and hardware compatibility with your current wall chargers.

Modern aesthetics and space optimization
Brilliantly combining the functions of a wireless charger and a secondary light source, this dual-purpose accessory efficiently declutters your workspace. Its contemporary and polished lines make it a true technological decoration piece.
