

Play AirClip II True Wireless Earphones Semi In-Ear with Microphone Gray + Lifetime Warranty Force Play

Descriptif produit

Enjoy revolutionary airy comfort and stay connected to the world with an ultra-secure clip-on fit.

Stereo air conduction technology
These earbuds incorporate the innovative OWS system that transmits sound via air conduction without obstructing your ears. This cutting-edge technology allows you to enjoy an immersive stereo experience while remaining fully aware of ambient sounds for your daily safety.

Comfortable and high-performance semi-in-ear fit
This exclusive hybrid design delivers excellent acoustic quality while completely eliminating the feeling of pressure inside the ear canal. It represents the ideal solution for those seeking exceptional wearing comfort without compromising on sound signal clarity.

Ergonomic ear clip design
The specifically engineered clip-on design gently and securely attaches to the outer cartilage of your ear. This innovative structure eliminates all internal pressure and guarantees zero accidental drops during your most dynamic movements.

4-Microphone ENC system for crystal-clear calls
Equipped with environmental noise cancellation (ENC) technology, they rely on 4 built-in microphones to purify your voice during calls. Your callers benefit from exceptional speech clarity, even when you are talking in animated urban or windy areas.

Enhanced performance and extended battery life
Benefit from complete freedom of movement thanks to a remarkable combined battery life reaching up to 40 hours of continuous playback with the case. The integration of the latest-generation Bluetooth 6.0 protocol ensures an ultra-stable wireless connection and instant responsiveness.

Everyday robustness and lifetime warranty durability
Engineered to accompany you in all weather conditions, they feature effective IPX protection against sweat and sudden water splashes. Proving their long-term material reliability, these premium earbuds are backed by a reassuring lifetime warranty.

100% recycled plastic
Our Force Play headphones are eco-designed and made of recycled plastic to reduce environmental impact.

Lifetime warranty
Force Play replaces your right or left earbud with a new one in case you get lost.

Eco-designed packaging that is fully recyclable
Cardboard (certified from responsible forest management), glue (vegetable) and ink (soy).

Product Upcycling
Prepaid return of old products to be recycled to promote the circular economy.

To benefit from the lifetime warranty, simply create an account and register your product on the website https://force-mobility.fr/fr/utiliser-garantie, within 30 days of your purchase, with your proof.
The FORCE service will send you a new replacement earphone for the lost earphone. Once a year and without time limit so that you can always enjoy your music!

FORCE: The smartphone accessories brand Lifetime warranty
• Sustainable accessories designed to last a long time
• Technological innovation at the service of performance and use
• A lifetime warranty to satisfy the most demanding customers
• A responsible commitment from the design of the product to its packaging: Recycled plastic, certified cardboard from responsible forest management, vegetable glue) and soy ink.
• A recycling center with pre-paid return of old products to be recycled to promote the circular economy

FORCE is a French brand whose products are designed and developed in Paris. French specialist in smartphone solutions for 25 years, our products are tested and certified according to the CE standards and directives in force on the market.
From its delivery, this product benefits from the 2-year legal guarantee of conformity.

How does the Recyclerie work?
You have just purchased one of our products and you wish to return your old product to us for recycling. We ensure the collection of all old products, which are then dismantled and recycled in the appropriate sector by our partner Véolia.

How do I return my product?
Using the QR code or link provided in the pack of the purchased product www.force-mobility.fr/recyclerie, download a free return voucher from our site to return your product to us for recycling.

What happens to my old product?
Once recycled, your product is reintegrated into the production of everyday objects such as: bicycle, radiator, public bench, etc., this is what we call the circular economy!

A reduced carbon footprint for a more responsible purchase!
The carbon footprint is an environmental indicator that designates the total quantity of greenhouse gases generated throughout the product life cycle, from production to use and recycling. This indicator was calculated using the LCA method (life cycle analysis standardized ISO 14040-44) which is the most advanced and scientifically robust method, in terms of eco-design and environmental performance.
