

Play Touch XL Pro True Wireless Earphones ANC + ENC 1.65" Touch Screen In-Ear with Microphone Gray + Lifetime Warranty Force Play

Descriptif produit

Take control of your audio universe with a single tap and plunge into absolute sound immersion.

Smart case with XL touchscreen
This model reinvents wireless usage thanks to its charging case equipped with a large 1.65-inch capacitive touchscreen. This intuitive interface allows you to control your music, manage calls, and adjust settings directly, without ever pulling your smartphone out of your pocket.

High-performance ANC active noise cancellation
Advanced Active Noise Cancellation (ANC) technology instantly isolates you from outdoor distractions to immerse you in an exclusive sound bubble. Ideal for public transit or shared workspaces, it preserves the pure dynamics of your favorite tracks.

Crystal-clear conversations via ENC system
Featuring Environmental Noise Cancellation (ENC) paired with 4 high-definition microphones, these earbuds warranty exceptional call clarity. Your callers can hear you perfectly and without distortion, even when talking in highly animated or windy settings.

Extended performance and battery life
Enjoy total daily freedom thanks to a remarkable battery life reaching up to 38 hours of combined playback with the charging case. The integration of cutting-edge Bluetooth 6.0 technology ensures an ultra-stable wireless connection, lower latency, and optimized power efficiency.

Ergonomic in-ear fit and passive isolation
The in-ear form factor has been rigorously engineered to conform to your ear anatomy, delivering highly efficient natural passive noise isolation. This ergonomic design provides extended wearing comfort and a perfect secure hold, even during your most dynamic movements.

Trendy design and certified durability
These earbuds showcase a sleek, modern look defined by polished white finishes and an exclusive semi-transparent lid. Built to last, they feature IPX-rated resistance against water splashes and sweat.

100% recycled plastic
Our Force Play headphones are eco-designed and made of recycled plastic to reduce environmental impact.

Lifetime warranty
Force Play replaces your right or left earbud with a new one in case you get lost.

Eco-designed packaging that is fully recyclable
Cardboard (certified from responsible forest management), glue (vegetable) and ink (soy).

Product Upcycling
Prepaid return of old products to be recycled to promote the circular economy.

To benefit from the lifetime warranty, simply create an account and register your product on the website https://force-mobility.fr/fr/utiliser-garantie, within 30 days of your purchase, with your proof.
The FORCE service will send you a new replacement earphone for the lost earphone. Once a year and without time limit so that you can always enjoy your music!

FORCE: The smartphone accessories brand Lifetime warranty
• Sustainable accessories designed to last a long time
• Technological innovation at the service of performance and use
• A lifetime warranty to satisfy the most demanding customers
• A responsible commitment from the design of the product to its packaging: Recycled plastic, certified cardboard from responsible forest management, vegetable glue) and soy ink.
• A recycling center with pre-paid return of old products to be recycled to promote the circular economy

FORCE is a French brand whose products are designed and developed in Paris. French specialist in smartphone solutions for 25 years, our products are tested and certified according to the CE standards and directives in force on the market.
From its delivery, this product benefits from the 2-year legal guarantee of conformity.

How does the Recyclerie work?
You have just purchased one of our products and you wish to return your old product to us for recycling. We ensure the collection of all old products, which are then dismantled and recycled in the appropriate sector by our partner Véolia.

How do I return my product?
Using the QR code or link provided in the pack of the purchased product www.force-mobility.fr/recyclerie, download a free return voucher from our site to return your product to us for recycling.

What happens to my old product?
Once recycled, your product is reintegrated into the production of everyday objects such as: bicycle, radiator, public bench, etc., this is what we call the circular economy!

A reduced carbon footprint for a more responsible purchase!
The carbon footprint is an environmental indicator that designates the total quantity of greenhouse gases generated throughout the product life cycle, from production to use and recycling. This indicator was calculated using the LCA method (life cycle analysis standardized ISO 14040-44) which is the most advanced and scientifically robust method, in terms of eco-design and environmental performance.
