

Smart TV Adapter Black Technisat

Descriptif produit

Premium 4K streaming enhanced by artificial intelligence

AI-Powered Visual Enhancement

Transform your viewing experience with the built-in 4 TOPS Neural Processing Unit (NPU). AI Super Resolution 2 and AI Picture Quality technologies analyze every frame in real-time to upscale content, enhance textures, and deliver near-4K clarity.

Cinematic Dolby Vision and Atmos Immersion

Experience true theater-quality entertainment at home with comprehensive Dolby Vision® and HDR10+ compatibility. Enjoy strikingly deep contrasts and vibrant colors, paired perfectly with immersive Dolby Atmos® multi-channel audio decoding.

Connected Google TV Interface on Android 14

Explore a fluid, open ecosystem powered by the latest Android™ 14 version for television. Instantly access over 10,000 applications and enjoy tailored recommendations thanks to advanced multi-user profile management.

Extreme Wi-Fi 6 Speed and Fluidity

Say goodbye to buffering and lagging with next-generation high-speed Wi-Fi 6 connectivity. Paired with a high-performance HDMI 2.1b interface, this streaming stick ensures smooth, seamless frame-rate transitions without any black screens.

Massive Storage and Voice Control

Install all your favorite streaming platforms and games without memory restrictions thanks to the generous 32GB of internal storage. The smart remote features Google Assistant for voice navigation and includes integrated Google Cast.
