

USB C Charger Kit 30W + USB C / USB C Cable 1.5m Orange Urban Factory

Descriptif produit

Ultra-compact 30W GaN charging power featuring its matching included cable

Cutting-Edge GaN Technology
Benefit from superior energy efficiency thanks to the integration of Gallium Nitride (GaN). This technological innovation drastically reduces the size of the charger while minimizing heat generation for safer and faster power delivery.

30W Power Delivery Performance
Fast-charge your smartphones, tablets, and ultra-portable laptops using the high-speed 30W Power Delivery protocol. This charger supplies the optimal power required to boost your compatible device's battery in record time.

Ultra-Compact Slimee Format
Optimize space on your power strips and inside your travel bags courtesy of its remarkably thin profile. Its miniature and lightweight engineering makes it the perfect nomadic companion for daily commuters and travelers.

1.5m USB-C to USB-C Cable Included
Enjoy a complete, ready-to-use charging solution with the high-quality 1.5-meter USB-C cable bundled in the box. Its generous length provides excellent freedom of movement to comfortably use your devices while they power up.

Advanced Built-In Safety System
Safeguard your valuable electronic equipment effectively with a next-generation electrical and thermal safety system. The charger integrates strict protections against overcharging, overvoltage, and short-circuits.
