

Google Pixel 11 Pro Fold Magnet Case Silicone Pixelsnap Volcanic Black Google

Descriptif produit

The perfect blend of elegance and magnetic technology for your smartphone.

Designed to protect in style
The Google Pixelsnap case protects your smartphone in style. And because it's compatible with Pixelsnap technology, you can use it with wireless chargers, stands, and other accessories.

Drop and scratch protection
Tested for hundreds of hours against drops, this case has proven its ability to withstand everyday mishaps. It features raised edges to protect your smartphone's screen, as well as reinforced protection for the Pixel camera module.

Compatible with wireless chargers, and more
Your Pixelsnap case is compatible with various magnetic accessories, such as chargers, stands, and mounts, to which it attaches in a single click.

Practical and stylish
With its soft silicone design and vibrant colors that match your smartphone, this case is as pleasing to the eye as it is to the touch. And it fits your Google Pixel perfectly.

A more responsible design.
Specifically designed for Google Pixel smartphones, this case doesn't interfere with charging, sound clarity, or signal strength. Made with at least 42% recycled materials, it protects your smartphone while helping the planet.

Put it down. Charge it. Do more.
Google Pixel 10 smartphones feature Pixelsnap magnetic technology. They easily attach to compatible wireless chargers for more convenient charging. And you can use them with a host of other magnetic accessories: stands, mounts, wallets, and more.
