

iPhone Duo MagSafe Reinforced Case AIR XTREM DUO 2m Transparent + Lifetime Warranty Force Case

Descriptif produit

The combination of exclusive technologies for extreme resistance to military standard MagSafe compatible - Lifetime warranty

Shock and drop resistant from 4 meters: Military Standard MIL-STD-810G
Innovative HybridDefense® structure composed of multiple interlocking materials guarantees the case's perfect integrity and gives it extreme resistance to everyday damage.

Dual Protection System
The combination of Tryax3D® on the edge and reinforced anti-impact corners provides unparalleled protection all around the phone, regardless of the point of impact.

Protective raised edges
The edges and contours of the camera are reinforced with liquid silicone for all-around protection. You can thus place your smartphone on the front or back side without risk.

Reinforced Magnetic System Compatible with MagSafe
Thanks to the power of its reinforced magnetic system, you can attach your case to all magnetic accessories in the MagSafe ecosystem: wireless chargers, car mounts, video stands, etc.

Retractable and 360° rotating MagSafe ring
Enjoy a perfectly integrated magnetic ring that unfolds to serve as a stable video stand. Its full 360-degree rotation allows you to orient your screen in portrait or landscape mode according to your needs.

Improved Charging Efficiency
The optimal magnetic alignment of its reinforced magnets also ensures that your iPhone charges more efficiently and therefore faster.

Premium finish with interchangeable metal buttons
Its sleek transparent design and elegant metal accents showcase the original beauty of your smartphone.

Anti-Yellowing Nano-Coating
Made from a polymer alloy treated against yellowing, your case will retain its transparency much longer.

Additional Button Set to Customize Your Case
With the included interchangeable metal buttons, easily enhance your case to suit your tastes!

How does the Recyclerie work?
You have just purchased one of our products and you wish to return your old product to us for recycling. We ensure the collection of all old products, which are then dismantled and recycled in the appropriate sector by our partner Véolia.

How do I return my product?
Using the QR code or link provided in the pack of the purchased product www.force-mobility.fr/recyclerie, download a free return voucher from our site to return your product to us for recycling.

What happens to my old product?
Once recycled, your product is reintegrated into the production of everyday objects such as: bicycle, radiator, public bench, etc., this is what we call the circular economy!

A reduced carbon footprint for a more responsible purchase!
The carbon footprint is an environmental indicator that designates the total quantity of greenhouse gases generated throughout the product life cycle, from production to use and recycling. This indicator was calculated using the LCA method (life cycle analysis standardized ISO 14040-44) which is the most advanced and scientifically robust method, in terms of eco-design and environmental performance.
