

Octomini USB A+C to USB C & Lightning Cable 2.1A 13cm FastCharge 12W Black - GRS Certified Xoopar

Descriptif produit

The Octomini: The ultra-compact, eco-friendly cable reinventing on-the-go charging

GRS certified eco-responsible design
Crafted from GRS certified recycled plastic, this charging cable combines daily performance with a strong commitment to environmental sustainability.

Versatile 4-in-1 multi-connectivity
Featuring dual USB-A and USB-C inputs to USB-C and Lightning outputs, it instantly adapts to all your essential modern devices.

Ultra-compact 13cm pocket format
With its optimized 130mm length, it completely eliminates cable clutter and is engineered to fit seamlessly into any small pocket or bag.

Featherlight weight with keychain loop
Weighing a mere 12 grams, this ultra-lightweight accessory features a smart built-in attachment to ensure it stays securely within reach at all times.

Efficient 12W reliable charging power
It delivers a steady 12W power output to effectively troubleshoot and recharge your connected gear wherever your journey takes you.

Your essential everyday travel companion
Convenient and highly accessible, this pocket-sized multi-cable is the perfect backup solution for business trips, daily commutes, or evenings out.
