JUST IN CASE

# iPad 10 (2022) / iPad 11 (2025) Folio Smart TriFold Black Just in Case

## Descriptif produit

### The essential folio case combining complete protection, elegance, and viewing comfort

360° full protection
Durably shield your tablet from daily scratches, bumps, and light impacts with this tailored folio case. Its protective front flap and rear shell perfectly hug your device's contours for optimal overall security.

Versatile SmartTri Fold flap
Enjoy outstanding ergonomics thanks to the smart tri-fold flap design. This ingenious system instantly converts into a sturdy stand, allowing you to position your tablet at multiple angles for watching videos or typing.

Automatic sleep and wake function
Save your battery life effortlessly thanks to the smart magnetic sensor built into the cover. Your tablet wakes up automatically upon opening the flap and enters sleep mode immediately when closed to extend runtime.

Slim and elegant design
Showcase a sleek, professional style with a refined finish and an ultra-thin profile. Its lightweight construction preserves your tablet's original slimness without adding unnecessary bulk to your bag on the go.

Tailored precision cutouts
Effortlessly access all your device's essential features thanks to custom precision cutouts. Buttons, speakers, camera, and charging port remain fully accessible without ever needing to remove the case.
