

MagSafe Wireless Powerbank MagPro Neo 5000mAh 15W Qi 1 USB C port 22.5W PD/QC Stand + Attached Cable Black Iniu

Descriptif produit

The new generation of magnetic charging: fast, intelligent and hassle-free.

Qi2 Certified Speed (15W)
Don't waste another second. With next-generation Qi2 certification, charge your iPhone 17 Pro from 0 to 52% in just 25 minutes. Twice the magnetic power of standard chargers for instant, cable-free energy.

Digital display & integrated stand
No more stress about running out of power. The smart digital display shows you the exact battery level in real time. Fancy watching a film while charging? Unfold the built-in stand and enjoy your content hands-free at the perfect angle.

10,000mAh power for the whole day
Compact but powerful. Carry enough power to recharge your smartphone several times. From your morning coffee to your last email of the day, stay connected without interruption.

Compact, space-saving
Designed to be forgotten. With its ultra-slim profile, it fits perfectly on the back of your phone without interfering with your grip or the camera. The essential travel companion that fits in any pocket.
