

Samsung Galaxy S26 FE Case Hybride Transparent B2B Envelope - Origin France Guaranteed Bigben

Descriptif produit

Provide your mobile with invisible and durable protection while supporting eco-responsible French manufacturing.

Slim and ergonomic design

This case perfectly follows the lines of your mobile for total discretion. Its design ensures fluid access to all features and original connectors.

Reinforced shock protection

Specially designed raised edges absorb impacts effectively. They guarantee optimal security for your screen and rear camera block against daily scratches.

Robust hybrid structure

Combining flexible edges with a rigid back, this case provides an immediate sensation of sturdiness. It ensures an ideal grip while effectively protecting against dirt and shocks.

Durable transparency

Thanks to a high-performance anti-yellowing treatment, the case maintains its original clarity over time. Your smartphone stays protected while keeping its pure aesthetics in the long run.

Origine France Garantie

The Origine France Garantie certification certifies that this product was entirely manufactured in France: processing and packaging.

Eco-designed with 100% recycled plastic

This product is made of recycled plastic to reduce the use of single-use plastics and promote a circular economy. The Global Recycled Standard (GRS) label guarantees recycled products while respecting environmental and social criteria (recycled content, chain of custody, social and environmental practices, and chemical composition restrictions, etc.).

Eco-responsible packaging

A minimalist envelope, made from recycled and recyclable materials, to protect your phone case while reducing the impact on the environment.

Product revaluation

Prepaid return of old products to be recycled to promote a circular economy.
