The official MOB Dancing Speaker 3W Bluetooth speaker featuring rhythmic dancing motion and TWS stereo pairing

Rhythmic dancing motion to your music
Add fun and entertainment to your day with a unique Bluetooth speaker that starts dancing as soon as your music plays[cite: 3]. Its motion moves in sync with the beat, bringing joy to both kids and adults alike[cite: 3].

Punchy 3W audio and Bluetooth 5.1
Enjoy clear and dynamic sound output powered by a 3-Watt speaker driver[cite: 3]. Integrated Bluetooth v5.1 technology ensures smooth, reliable wireless streaming from your smartphone, tablet, or laptop[cite: 3].

TWS stereo pairing for immersive sound
Double your sound experience by connecting two MOB Dancing Speakers simultaneously using built-in TWS stereo mode[cite: 3]. Create an expanded stereo soundstage while watching two animated characters dance together[cite: 3].

Portable design with 4 hours of battery life
Take your entertainment anywhere thanks to a compact, lightweight body designed for ultimate portability[cite: 3]. The internal rechargeable battery provides up to 4 hours of continuous playback[cite: 3].

Fun animal collection with micro-USB charging
Select your favorite character from a cute assortment of 12 distinct animal designs[cite: 3]. The package includes the dancing speaker, a user manual, and a micro-USB charging cable for easy setup[cite: 3].
