

Instant camera Thermal printer Pixiprint Click & Print Turquoise MOB

Descriptif produit

The official MOB Pixiprint 12MP instant digital camera featuring inkless thermal printing and creative accessory set

Instant inkless printing and high resolution
Capture and print your favorite memories in less than 10 seconds thanks to ink-free thermal transfer technology requiring zero drying time[cite: 4]. Equipped with a 12-megapixel camera sensor and 200 DPI resolution, it delivers sharp instant black-and-white prints[cite: 4].

Color LCD screen and multimedia features
Framing shots is effortless using the built-in 2.4-inch color LCD display[cite: 4]. Beyond shooting photos and recording videos, this device includes a built-in music player and 5 mini-games for extra entertainment on the go[cite: 4].

Creative customization and sticker kit
Unleash your imagination by applying over 30 built-in fun frames and filters prior to printing[cite: 4]. The included kit comes with 5 colored markers and more than 100 stickers to fully customize printed photos[cite: 4].

Expandable storage and rechargeable battery
Store all your captured digital memories using the included 8GB micro-SD card[cite: 4]. The integrated 1000mAh battery charges easily via USB Type-C and allows quick photo transfers to your computer[cite: 4].

Complete accessory bundle and portability
Carry your camera everywhere conveniently using the included quick-clip carrying strap[cite: 4]. Comes packaged with 5 paper rolls capable of printing over 380 photos, with additional creative refill sets and travel cases available[cite: 4].
