

Oppo Reno14 F / Reno14 FS Magnet Case Gradient Blue Oppo

Descriptif produit

Official OPPO Magnetic Case in Gradient Blue finish for OPPO Reno14 featuring integrated magnetic compatibility

Official OPPO design with Gradient Blue finish
Elevate your smartphone appearance with a modern gradient blue colorway crafted specifically by OPPO. This official protective cover matches your device contours with millimeter precision to preserve its original aesthetics.

Hybrid Structure and shock protection
Shield your smartphone against daily drops, scratches, and dust using a durable multi-material construction. Its flexible yet sturdy build absorbs impacts effectively to protect the phone body from harm.

Ideal grip and smudge-free handling
Enjoy a comfortable and secure hand feel thanks to a non-slip exterior coating. The outer surface features a fingerprint-resistant finish to keep your case looking pristine and clean throughout the day.

Built-in magnetic accessory alignment
Unlock seamless compatibility with magnetic accessories using the integrated magnetic ring inside the back panel. Conveniently attach compatible chargers, mounts, and card holders securely in a single step.

Complete edge and camera shield
Protect vulnerable screen edges and camera lenses with raised protective bezels. The extra clearance keeps the glass surfaces elevated off flat surfaces to avoid direct scratches and impacts.
