

Oppo A6X / A6K 4G/5G Case Transparent Oppo

Descriptif produit

Official OPPO crystal clear protective case featuring slim shock-absorbing design

Crystal clear transparency and minimalist design
Highlight your smartphone original look with a crystal-clear protective finish. Tailored specifically by OPPO, this official case fits smoothly over the device contours to showcase its native color and sleek aesthetic.

Durable materials and daily impact defense
Shield your device against everyday scratches, dust, and minor drops. Constructed from flexible thermoplastic polyurethane, the protective housing absorbs shock to ensure reliable daily defense.

Comfortable grip and anti-yellowing layer
Enjoy an ergonomic and comfortable hold designed to prevent accidental slips. The outer material features advanced anti-yellowing and fingerprint-resistant properties to maintain long-lasting clarity over time.

Precision fit and camera elevation
Access all side buttons, ports, and speakers effortlessly thanks to precision-molded cutouts. Raised protective bezels along the display and camera module keep glass surfaces safely elevated off flat areas.
