

Smart Camera Tapo C260 AI Detection 4K Panoramic and Reclining Indoor White

TP-Link

Descriptif produit

A smart 4K 8MP indoor security camera featuring AI auto-zoom tracking and facial recognition for home safety

4K 8MP crystal-clear resolution and 18x digital zoom

Enjoy outstanding visual clarity powered by an ultra-high-definition 4K 8MP sensor. Its powerful 18x digital zoom enables detailed monitoring of your living space to keep every corner clear and secure.

AI auto-zoom tracking and human face recognition

Driven by advanced artificial intelligence, this camera recognizes individual faces and triggers alerts only when an unfamiliar visitor is detected. It automatically tracks and zooms in on moving people or pets while detecting baby crying sound profiles.

12-meter night vision and clear two-way audio

Maintain round-the-clock monitoring even in complete darkness with long-range infrared night vision up to 40 feet (12 meters). The built-in microphone and speaker facilitate real-time two-way communication with family members or pets.

Physical privacy mode and flexible storage options

Protect your private moments effortlessly using the physical privacy mode that retracts the camera lens into the housing, complemented by customizable blocking zones. Store recordings locally via microSD card up to 512 GB or choose encrypted Cloud storage services.

Smart home integration and hands-free voice control

Integrate the camera seamlessly into your existing smart home network. It is fully compatible with popular voice assistants and platforms including Amazon Alexa, Google Home, and Samsung SmartThings.

Compatible WiFi

Color : White

Ref : TPLCAMERATAPOC260

EAN : 8885021370088

Pack contents : Smart Camera Tapo C260 AI Detection 4K Panoramic and Reclining Indoor + Power adapter + Type-A to Type-C cable (3 m) + Mounting plugs (x2) + Mounting screws (x2) + L-bracket + Adhesive drilling template

Technical characteristics
