Powerbank 10000mAh 2 USB C ports 25W PD Beige Samsung

Descriptif produit

Recharge your devices on the go with a compact 10,000 mAh power bank delivering 25W Super Fast Charging and dual USB-C output ports.

25W Super Fast Charging Performance
Power up your smartphone at high speeds with advanced 25W Fast Charging capability. The battery pack also supports fast input charging to replenish its own power quickly whenever needed.

High-Capacity 10,000 mAh Reserve
Packed with a 10,000 mAh battery capacity, this portable power bank delivers multiple full charges for your mobile devices. Stay powered throughout your workday, travel adventures, or outdoor excursions without worry.

Dual USB-C Ports for Simultaneous Charging
Featuring two high-speed USB-C output ports, this power bank lets you charge two devices at the same time. Effortlessly top up your phone alongside your wireless earbuds or tablet simultaneously.

Broad Device Ecosystem Compatibility
Engineered to deliver optimized and safe power across all your daily devices. Seamlessly compatible with smartphones, tablets, Bluetooth earphone cases, and other USB-C powered mobile gear.

Compact, Ergonomic and Portable Design
Designed with smooth contours and a slim body, this external battery offers a comfortable grip and lightweight feel. It slides effortlessly into pockets or bags for convenient daily portability.
