

iPhone 18 Pro / 17 Pro Folio Video Stand function Midnight - GRS Certified DBramante1928

Descriptif produit

Protect your smartphone with a GRS-certified eco-friendly folio wallet case, combining stain-resistant material, card storage, and a hands-free viewing stand.

Innovating Stain and Scratch-Resistant Material

Crafted from premium high-performance material, this folio case features a soft-touch finish that resists stains, micro-scratches, and pen marks. Maintenance is effortless: simply wipe it clean to keep it looking brand new every day.

Integrated Wallet Functionality for Daily Essentials

Combine everyday protection with practical convenience thanks to dedicated slots holding up to 5 cards alongside a side pocket for cash and receipts. Keep all your essentials organized and secure in one sleek, compact accessory.

Hands-Free Horizontal Viewing Stand

Designed with a foldable back cover, this case quickly transforms into a stable horizontal viewing stand. Enjoy hands-free video streaming, conference calls, and browsing with an optimal and comfortable viewing angle.

Magnetic Side Closure and Slim Profile

Engineered for a custom fit, this folio wraps around your device while preserving a remarkably slim silhouette. The secure magnetic side latch keeps the front flap closed to protect the display screen from daily accidents.

GRS Certified Eco-Friendly Construction

Made with GRS-certified recycled plastic materials and designed for end-of-life recyclability, this product aligns with high environmental standards. It provides long-lasting protection for your smartphone while reducing environmental impact.
