Descriptif produit

MagSafe Protective Case Grenen Ultra D3O - GRS Certified

Superior shock absorption with D3O® technology
Engineered with intelligent D3O® material, this case delivers exceptional impact protection and high-level drop resistance. Its high-performance hybrid structure safeguards your smartphone against the toughest everyday accidents.

Seamless MagSafe compatibility and wireless charging
Featuring a powerful, perfectly aligned magnetic ring, it ensures full compatibility with all MagSafe accessories and wireless chargers. Enjoy a firm, secure attachment and fast charging efficiency without removing the case.

GRS certified eco-friendly design
Crafted from 100% recycled materials and certified by the Global Recycled Standard (GRS), the Grenen Ultra supports sustainable practices. It minimizes carbon footprint while maintaining top-tier durability and product transparency.

Refined ergonomics and comfortable grip
Its slim, tailored fit preserves the sleek silhouette of your phone while providing a comfortable, non-slip hold. Precision cutouts ensure seamless access to all physical buttons, ports, and daily functions.

Raised edges for camera and screen protection
Beveled borders around the display and camera module prevent direct surface contact and scratches. Your device stays fully protected from every angle during daily use.
