

iPhone Duo MagSafe Case Grenen Ultra D3O Kickstand + Ring Video Stand White - GRS Certified DBramante1928

Descriptif produit

Protect your smartphone with a GRS-certified eco-friendly D3O® shockproof case, featuring an integrated rotating kickstand, frosted back, and full MagSafe compatibility for seamless charging.

Reinforced D3O® Zero™ Impact Protection Up to 3 Meters

Engineered with advanced D3O® Zero™ technology (made from 99% recycled D3O® material), this case delivers superior shock absorption and impact dispersion. It provides certified drop protection up to 3 meters (10 ft) to keep your smartphone safe from daily mishaps.

Integrated Rotating Kickstand for Hands-Free Viewing

Featuring a built-in rotating kickstand, this protective cover allows you to position your phone at multiple viewing angles. Enjoy effortless hands-free convenience for video streaming, conference calls, and browsing without holding your device.

Built-in MagSafe Magnet and Seamless Wireless Charging

Equipped with strong MagSafe magnets embedded directly into the rotating mechanism, the case ensures instant and accurate alignment with magnetic chargers and accessories. Experience fast, reliable wireless charging and a secure magnetic hold anytime.

Frosted Translucent Finish with Slim Ergonomics

The frosted clear back showcases the original aesthetic and color of your device while resisting smudges. Its color-matched frame creates a refined tone-on-tone look while preserving a lightweight, slim profile that feels comfortable in hand.

GRS Certified Eco-Friendly Construction

Crafted from 100% GRS-certified recycled and recyclable plastic materials, this case reflects a commitment to sustainable innovation. It combines high-performance phone defense with eco-conscious manufacturing without compromising on durability.

Raised Bevels for Screen and Camera Lens Defense

Elevated borders surrounding the display screen and rear camera cluster prevent direct contact with flat surfaces. This perimeter defense keeps sensitive glass lenses and touchscreens guarded against daily scratches and abrasions.
