

Descriptif produit

Enjoy powerful and ultra-portable audio wherever you go with an IPX7 waterproof Bluetooth 6.0 speaker featuring app control and rugged durability.

Powerful Sound in a Compact Design

Engineered for an active lifestyle, this compact speaker delivers 5W of output power through its high-performance 45mm driver. Enjoy clear, dynamic audio performance in a lightweight form factor built to go everywhere with you.

IPX7 Waterproof Rating for Outdoor Use

Featuring a rugged IPX7 waterproof rating, this speaker easily withstands rain, water splashes, and accidental submersion. Take your music worry-free to the pool, outdoor workouts, or hiking trails in any weather conditions.

Advanced Bluetooth 6.0 and App Control

Powered by modern Bluetooth 6.0 technology, it ensures a fast, stable, and energy-efficient wireless connection. Full compatibility with the companion AI app allows you to customize sound settings and manage playback effortlessly.

Long Battery Life and Fast USB-C Charging

Equipped with a 1200 mAh rechargeable battery, it provides up to 6 hours of continuous playtime at moderate volume. Quickly recharge the device in just 2 to 3 hours using the included USB-C charging cable.

Ergonomic Design with Sustainable Packaging

Designed for action, it includes a integrated lanyard loop for easy attachment to backpacks or gear, with optional bike mount support. It comes in eco-conscious non-plastic packaging to reduce environmental impact.
