

MagSafe Wireless Powerbank Freedom 10000mAh 15W Qi 1 USB C port 20W PD/QC + Attached Cable Silver Rivacase

Descriptif produit

Power up your devices effortlessly with an ultra-slim 10,000 mAh magnetic power bank featuring 15W wireless charging and an integrated USB-C cable.

15W Efficient Magnetic Wireless Charging Featuring magnetic alignment technology, this external battery provides fast wireless power output up to 15W. Simply snap your compatible smartphone onto the surface for a firm grip and optimal charge alignment. **20W Power Delivery Wired Output** The USB-C port and attached cable support the 20W Power Delivery protocol for ultra-fast wired charging. Quickly boost your mobile device battery up to 50% in roughly 30 minutes. **Convenient Attached USB-C Cable** Designed with an integrated USB-C to USB-C cable that doubles as a carrying loop, this portable charger eliminates cable clutter. You always have a ready-to-use charging solution on the go. **Ultra-Slim 10,000 mAh Profile** Combining sleek styling with a lightweight build, its thin form factor fits easily into pockets or bags. The 10,000 mAh capacity provides multiple full charges throughout your daily activities. **Advanced Electronic Safety** Built with a comprehensive protection system against overheating, overcharging, and short circuits, it ensures optimal battery health for your connected devices during every session.

Charge sans fil MagSafe/Qi/Qi2 - Port(s) : 1 port USB C - Compatible + Câble attaché

Color : Silver

Feature(s) : Battery Capacity: 10000mAh - Wired Charge 20W PD/QC - Wireless Charge 15W Qi - + Attached Cable

Port(s) : USB C / USB C

Power : 10000mAh

Ref : RIVACPBVA2617GR

EAN : 4260709016573

Pack contents : MagSafe Wireless Powerbank Freedom 10000mAh + USB C / USB C Cable + User Guide/Security/Warranty

Technical characteristics

15W Magnetic Wireless Charging: Snap-on alignment delivering fast and stable cable-free power. **20W Power Delivery:** High-speed wired charging via the USB-C port and built-in cable. **Attached USB-C Loop Cable:** Integrated cable functioning as a convenient carrying strap. **Slim 10,000 mAh Design:** Compact lightweight form factor offering ample backup power. **Multi-Layer Safety System:** Built-in protection against overcharging, short circuits, and overheating.
