

Crosscall STELLAR X5 Case X-Hand Strap + Shoulder strap Black Crosscall

Descriptif produit

Maximize smartphone security and handling in the field with this heavy-duty shockproof case featuring an ergonomic hand strap and an adjustable lanyard.

Shockproof Protection

Custom-molded to fit the exact contours of the device, this flexible TPU case efficiently absorbs impacts, shocks, and everyday drops. Its rugged build guarantees comprehensive back and corner protection during all your activities.

Ergonomic Hand Strap for Secure Grip

Featuring an integrated rear hand strap, this case provides a firm and comfortable hold for easy one-handed operation. It significantly lowers the risk of accidental slips or drops during active or professional use.

Adjustable Lanyard for Hands-Free Carry

Equipped with a sturdy adjustable cord, this protective cover allows you to wear your phone around your neck or shoulder. Keep your mobile device immediately accessible while maintaining complete freedom of movement.

Precision Cutouts for Unhindered Access

Tailored engineering ensures seamless access to all side buttons, charging ports, speakers, and camera lenses. Enjoy full device functionality without ever needing to remove the case.

Raised Bezels for Screen and Camera Safety

Elevated edges surrounding the display and camera housing prevent direct contact with flat surfaces. This design protects the most delicate areas against surface scratches and daily wear.

Durable Materials and Comfortable Touch

Crafted from wear-resistant materials, it offers a comfortable non-slip tactile feel while resisting fingerprints and dirt for quick and effortless cleaning.
