

Smart Watch ICE fit RT 3.0 40mm Milanese Strap Pink gold / Nude Ice Watch

Descriptif produit

Track your daily fitness, health metrics, and phone calls with a high-definition AMOLED smartwatch featuring built-in GPS and onboard music storage.

High-Definition 1.97-Inch AMOLED Touch Screen

Featuring a bright 1.97-inch AMOLED touch display with a sharp 390 x 450 pixel resolution, this smartwatch delivers clear readability. The Always-On Display function lets you check the time and metrics effortlessly without tapping the screen.

Lightweight Polycarbonate Case and Ergonomic Silicone Strap

Built with a durable 40 mm polycarbonate case, it offers a lightweight feel for comfortable all-day wear. The flexible 22 mm silicone strap adjusts smoothly to fit your wrist during intense workouts.

Built-In GPS for Accurate Route Tracking

The integrated GPS chip records your location, distance, and pace in real time during outdoor workouts. Analyze your routes and athletic performance in detail without carrying a smartphone.

Direct Strava App Synchronization

Designed for active users, the smartwatch enables direct data syncing with the Strava athletic platform. Easily share your workout routes and training achievements with your fitness community.

Versatile Multisport Tracking Modes

Includes dedicated activity profiles for running, cycling, swimming, yoga, pilates, golf, and skiing. Each sport mode adapts metrics to capture your physical performance accurately.

Comprehensive Heart Rate and SpO2 Monitoring

Equipped with an optical heart rate sensor and pulse oximeter, it tracks your pulse rate and blood oxygen saturation continuously. Monitor your vital health stats during workouts and rest periods.

Sleep Analysis and Daily Activity Metrics

Using a 6-axis accelerometer, the watch counts daily steps, estimates calories burned, and analyzes sleep phases. Health data can be seamlessly integrated with Google Health and Apple Health apps.

Bluetooth Phone Calls From Your Wrist

Featuring a built-in microphone and speaker, it allows you to make and answer phone calls directly from your wrist. Stay connected on the go without pulling out your mobile phone.

Onboard 4 GB Music Storage

With 4 GB of internal memory dedicated to audio files, you can store your favorite music directly on the watch. Enjoy phone-free music playback during outdoor running sessions and workouts.

Smart Notifications and Dedicated Ice Fit App

View incoming call alerts, text messages, and app notifications directly on your screen using the Ice Fit app. Stay updated on important messages throughout your active day.

Everyday Utilities and Custom Watch Faces

Includes essential daily tools such as a remote camera shutter, live weather updates, alarms, a stopwatch, and custom watch face designs.

Long-Battery Life Up to 7 Days

Powered by a 350 mAh battery, this smartwatch provides between 3 and 7 days of continuous use depending on feature activation. Enjoy reliable multi-day usage between magnetic charging sessions.

5 ATM Water Resistance Rating

Certified 5 ATM water resistant down to 50 meters, it is built to handle surface swimming, showers, and rain. Fully compatible with iOS 9.0+ and Android 6.0+ operating systems.
