Smart Watch ICE SMART SQ 2.0 Square Milanese Strap Silver Ice Watch

Descriptif produit

Elevate your daily style with a sleek zinc alloy smartwatch featuring a refined mesh strap, a sharp Always-On AMOLED display, and Bluetooth call capabilities.

Sleek Casing and High-Definition AMOLED Display
Featuring a rectangular 37 x 41 mm zinc alloy casing paired with an 18 mm stainless steel Milanese mesh bracelet, this smartwatch blends modern aesthetics with long-lasting comfort. Its 1.70-inch touch AMOLED display (336 x 336 pixels) offers crisp visuals, enhanced by Always-On Display functionality.

Versatile Multisport Fitness Profiles
Designed for numerous physical activities including running, walking, cycling, soccer, tennis, yoga, pilates, boxing, golf, and skiing, it records your calories burned and workout performance across every discipline.

Connected Smartphone GPS Navigation
Utilizing your connected smartphone GPS, the watch tracks your workout speed, distance covered, and outdoor exercise routes accurately.

Comprehensive Health and Vital Tracking
Advanced optical sensors monitor your pulse rate continuously throughout the day, estimate blood oxygen saturation (SpO2), and provide blood pressure evaluations to keep track of your health stats.

Detailed Sleep Analysis and Wellness Alerts
A 3-axis accelerometer analyzes your rest phases and overall sleep quality. Integrated wellness reminders prompt you to stay hydrated and move around during long periods of sitting.

Wrist-Based Bluetooth Phone Calls
Equipped with a built-in microphone and speaker, it allows you to make and answer phone calls directly from your wrist without pulling out your mobile phone.

Smart Wrist Notifications and Alerts
View incoming call alerts, text messages, and social app notifications directly on the screen through seamless app synchronization.

Everyday Utilities and Integrated Mini-Games
Packed with daily convenience tools including onboard mini-games, weather updates, a stopwatch, alarm clocks, phone music playback control, remote camera shutter, and custom watch faces.

Multi-Day Battery Life and IP68 Water Resistance
Powered by a 210 mAh battery with magnetic USB charging, it delivers 3 to 7 days of continuous usage. Its IP68 rating ensures protection against daily dust and clear-water exposure, fully compatible with iOS 9.0+ and Android 5.0+.
